

(EMAIL ANNOUNCING ENERGY STAR PARTNERSHIP)

<http://www.energyconservationposters.com>

FLEXI Energy Posters would like to announce that it is partnering with ENERGY STAR, the U.S. Environmental Protection Agency's program that offers businesses and consumers energy efficient solutions to help save money while protecting the environment for future generations.

This partnership represents FLEXi Energy Posters pledge to help make energy conservation efforts visible and promote energy conservation awareness. Visible efforts translate into reduced energy consumption and lower energy costs for corporations and consumers.

ENERGY STAR is a dynamic government/industry partnership that offers businesses and consumers energy-efficient solutions that save money and protect the environment. That is why <http://www.energyconservationposters.com> is proud to announce that can offer promotional products with the Energy Star logo on it. For more information on the ENERGY STAR program and how you can be a part of it, please visit their web site at <http://www.energystar.gov>

Remember, if your objective is to create awareness that encourages people to use just enough energy...
we have great solutions!

Call us for yourself or refer your friends to us. We're a wonderful resource for:
Displays, Posters, Decals, Banners, Light Boxes, Leak Tag Boards, Charts, Caps, Shirts, Hand-outs

Sincerely,
